FULL STACK DEVELOPER

OBJECTIVE

Focused Computer Applications major completed from St. Aloysius College. Aiming to leverage a proven knowledge of advanced technology, hardware engineering, and database server skills to successfully fill the Software Developer role at your company. Frequently praised as focused by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

COMPUTER SYSTEM ANALYST

Noronha Enterprise (April 2019 – June 2019)

Work Responsibilities:

- Test, maintain, and monitor computer programs and systems, including coordinating the installation of computer programs and systems.
- Provide staff and users with assistance solving computer related problems, such as malfunctions and program problems.
- Read manuals, periodicals, and technical reports to learn how to develop programs that meet staff and user requirements.
- Coordinate and link the computer systems within an organization to increase compatibility and so information can be shared.
- Determine computer software or hardware needed to set up or alter system.

PROJECTS

Apartment Management System: <https://github.com/denzilrdz/Apartment-Managment-System>

The system is developed with Java Server Page. This system deals with the day-to-day activities of the apartment like bill payments, hall booking, gym membership, visitor's entry, guest visit for vacant apartments and service request.

Cart: <https://github.com/denzilrdz/My-Cart>

This is not just another e-commerce website but is focused on the privacy of the user. The user is assigned a group where the sub-interest changes every three days and the main-interest every week. This project is developed using Django framework.

EXTRACURRICULAR AND COMMUNICATION

Languages known are Konkani (Mother tongue), English, Hindi, Kannada and Urdu.

A member of AICUF since 2015 and was the secretary of college unit. I have actively participated in hunger-drives, medical camps, state councils and state camps organized by AICUF. I like to listen to music, sing and play guitar. I am familiar with tools such as Adobe XD, Adobe Premiere, Adobe Photoshop, Adobe Audition, Snapseed, FL Studio and create short videos.

DECLARATION

I hereby declare that the details mentioned above in my resume are correct to the best of my knowledge and belief. I bear the responsibility of any error or mistake in the data if occur in future.
